

## AVIATION MOVIE NIGHTS IN GENESEO

Gen-Air, Inc. is once again hosting 3 movie nights at the Central Theatre in downtown Geneseo. We provide a free feature film preceded by selected aviation related shorts. There will be a free-will donation bucket available for those inclined to contribute. All donations are used to help maintain the Geneseo Airport and are greatly appreciated. Meanwhile, it's a good opportunity to sit back and relax for a few hours with other aviation enthusiasts. The Theatre's concession stand will be open for anyone desiring refreshments.

The 2010 Gen-Air Aviation Movie Night schedule is:

Thursday, February 18<sup>th</sup>, [The Blue Max](#) with George Peppard

Thursday, March 18<sup>th</sup>, [Memphis Belle](#)

Thursday, April 15<sup>th</sup>, [Firefox](#) with Clint Eastwood

The Central Theatre is on State Street, just north of the downtown stoplight in the Geneseo business district. Doors open at 6:30pm and the main feature starts at 7:10. Hope to see you there.
